

August, 2021

Co-President Julie's Note

Was great to see so many of you at the August meeting. Where has the summer gone? I blinked and it's almost over. I want to hold on to the last couple of weeks before heading back to school. Usually I feel like August kind of drags, but I think it's because most Augusts are so hot and humid. Recently the weather has been phenomenal--warm during the day, cool at night, no humidity. Hope everyone has been enjoying it.

Unfortunately, our speaker for the August meeting had to cancel at the very last moment. We are working to reschedule her presentation – Dealing With Conflict. This is good not just for adults in our every day lives, but for parents or grandparents to use with kids as they are heading back to school with other students who can cause such conflicts. I would like to say how proud I am of our organization. Considering there are 35+ women involved at any given time we have very little conflict. Thank you to everyone who keeps it that way.

Reminder again to use the hashtag [#stmawtkindness](https://twitter.com/stmawtkindness) whenever you see an act of kindness. While buying coffee for someone or having someone buy coffee for us feels great, kindness isn't about the money spent, it's about the time and effort given. Picking up something for someone who dropped it, holding the door, grabbing something off the top shelf for someone struggling to reach it, taking a grocery cart back in; these are all kindnesses.

It's a busy couple of weeks coming up. A list of the events is below. I hope everyone will find one or two or more things in which to participate.

“Respect,” the movie about Aretha Franklin is now out and I plan to go on Friday, August 20, and I hope many will join me. Even if one isn't a huge Aretha Franklin fan, to see what a woman, especially a woman of color, had to endure to get where she is can only be inspiring. We can meet in the 2nd floor bar beforehand for appetizers and drinks. Bring a friend with you.

Chris and Jan have put together a scavenger hunt on August 23. I'm excited, sounds like so much fun. Let's support the work they have put into this.

Book Club is meeting on the 24th and we will be making a list of our upcoming books. If you have a book you would like to discuss with others, come and make your recommendation. Book Club is not like your high school English class; it's a fun discussion of the book and how it relates to our lives today.

Kathy came through her surgery very well last week. She is laid up for about 6 or 8 weeks. Please call or text her to keep her from becoming too bored.

I am so grateful to be a part of our wonderful organization; thank you to everyone involved.

Julie

Overview:

Dr. Lily Houghton enlists the aid of wisecracking skipper Frank Wolff to take her down the Amazon in his dilapidated boat. Together, they search for an ancient tree that holds the power to heal -- a discovery that will change the future of medicine.

Jan's Review:

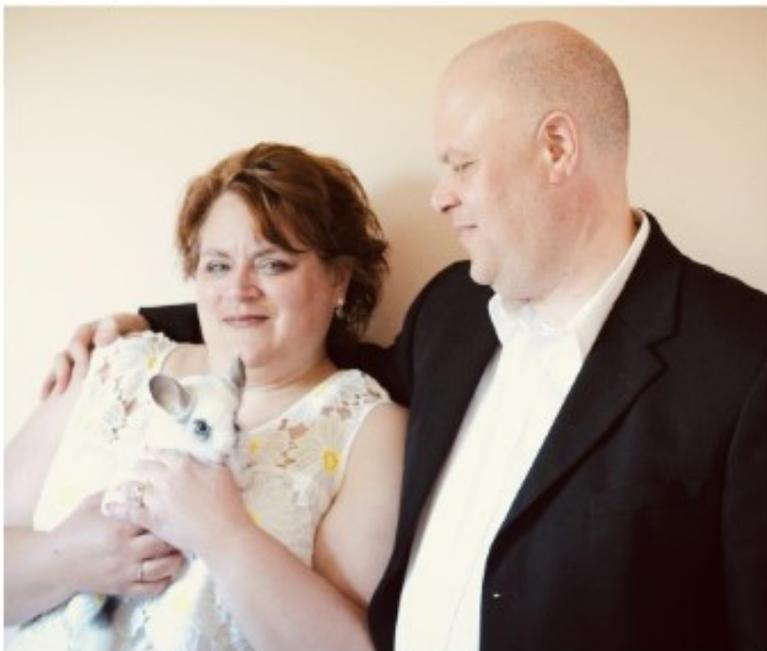

Dennis and I saw this movie a few weeks ago and we really loved it. It stars The Rock and Emily Blunt. I enjoyed every minute of it. It is full of action and fun personalities. I want to go see it again!!

I'm BACK!!!

Thanks right, Lisabet rejoined if you didn't already hear.

I was a member from 2004-2016 of the chapter. At that time I served in many local and district offices, including Chapter President, 2009-2010.

I wanted to take a minute to introduce myself to the members that have joined since I left. This year I turn the big 50, and am married to Jonathan Thomas. He is an Accountant and dables a bit in music. We've been married over 20 years and our baby is a chinchilla named Couscous. Here's a picture of us:

I am excited to reconnect with previous friends and to meet the members that joined over the past years.
